## Eriez Offers FREE CD-ROM Selection Guide for Feeders, Conveyors and Bin Vibrators

ERIE, PA – The new, FREE *Vibratory Selection Guide* CD-ROM from Eriez is an invaluable tool that provides users with all of the essential information required to properly select feeders, conveyors or bin vibrators for their particular applications.

From the opening page of the informative CD-ROM, users can access bin vibrator and feeder tray capacity calculators or link to pages that contain useful information about Eriez' product lines and drive systems.

The section of the CD-ROM that focuses on Eriez' product lines allows users to review the company's current product offerings and obtain additional information on specific products via hotlinks, which connect to the exact location of the chosen product on the Eriez Web site.

The area of the *Vibratory Selection Guide* CD-ROM devoted to drive systems includes helpful overviews, descriptions and details on the design and function of each of the Eriez drives featured.

The easy-to-use bin vibrator and feeder tray capacity calculators are two stand-alone software applications that are designed to determine the correct equipment needed based on the user's input.

To order Eriez' *Vibratory Selection Guide* CD-ROM, call toll-free in the U.S. and Canada at (888) 333-(ERIEZ) 3743 or (814) 835-6000. For online visitors, go to [www.eriez.com](http://www.eriez.com) or send Email to [eriez@eriez.com](mailto:eriez@eriez.com)
