NEWS RELEASE

For Immediate Release

45-Day Free Trial for Lifting Magnets

Eriez Magnetics offers a [45-day free trial offer](#) for selected sizes of [Permanent SafeHold[®] Lifting Magnets](#). These powerful magnets can lift and transfer steel and iron without slings, hooks or cables, and without marring the surface. They require fewer operators and helpers, and when properly installed and operated, provide greater safety than the mechanical material handling devices. Permanent magnets turn on and off manually to provide smooth operation for hundreds of lifting and positioning applications.

Taking advantage of the free [45-day trial offer](#) simply requires the company to write on its letterhead describing the application. Once received, an Eriez representative will recommend the proper magnet and contact you to obtain a purchase order to start the free trial.

To begin the process, write to: Eriez Magnetics, 2200 Asbury Road, P.O. Box 10608, Erie, PA 16506 U.S.A. With any questions, call toll-free in the U.S. and Canada at 1-888-300-ERIEZ (3743) or (814) 835-6000 or [send e-mail](#).

Eriez is recognized as the world authority in advanced technology for magnetic, vibratory and metal detection applications. The company's magnetic lift and separation, metal detection, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, recycling, mining, aggregate and textile industries.

Eriez manufactures and markets these products through [eleven international facilities located on six continents](#).
