### **Eriez® Selects Modern Tools, Inc. as New England's Exclusive Sales Representative Agency for HydroFlow® Filtration Systems**

Erie, PA— [Eriez®](#) announces the appointment of [Modern Tools, Inc.](#) as the company's exclusive [HydroFlow® Fluid Filtration Systems](#) sales representative agency for Connecticut, Maine, Massachusetts, New Hampshire, Rhode Island and Vermont.

Dan Zimmerman, Eriez Director of Business Development says, "HydroFlow has a history with Modern Tools in working on filtration applications with the machine builders they represent. We share the same values and commitment to serving our customers." He explains, "We chose the team at Modern Tools as our exclusive HydroFlow Filtration representative in New England based on their experience and impressive track record in the industry. We look forward to expanding our relationship and anticipate tremendous success."

Modern Tools, Inc. President and Owner John Nardone comments, "Eriez HydroFlow Filtration Systems will be a great complement to our current lines of precision and super precision machine tools, most of which require fine filtration which can be accomplished with Eriez HydroFlow Filtration Systems."

[Modern Tools, Inc.](#), founded in 1956 and owned and managed by John Nardone since 1989, is based in Stoneham, Mass. Since its founding, Modern Tools, Inc. has been providing precision machine tool manufacturing technology to the New England market, with a focus on the most economical and efficient packaged solutions for grinding, drilling and fine milling. For more information about Modern Tools, Inc, visit <http://www.moderntools.com/>.

[Eriez HydroFlow equipment and systems](#) are used in parts washing, machining, grinding, honing, super finishing and EDM applications requiring water-based coolants to straight oil lubricants. Eriez offers everything from complete turnkey central vacuum filtration systems able to supply 50 machining or precision grinding centers with fresh clean fluid at a constant pressure and temperature to small sump-side tramp oil skimmers. For more information about Eriez HydroFlow, visit <http://erieznews.com/nr437>.

Eriez is recognized as world authority in separation technologies. The company's magnetic lift and separation, metal detection, fluid filtration, flotation, materials feeding, screening, conveying and controlling equipment have application in the process, metalworking, packaging, plastics, rubber, recycling, food, mining, aggregate and textile industries. Eriez manufactures and markets these products through 12 international facilities located on six continents. For more information, call (814) 835-6000. For online users, visit [www.eriez.com](http://www.eriez.com) or send email to [eriez@eriez.com](mailto:eriez@eriez.com). Eriez World Headquarters is located at 2200 Asbury Road, Erie, PA 16506.
